Sir:

Pursuant to the provisions of 37 CFR § 1.56 and §1.97-§1.98, Applicants hereby submit the attached Substitute Form PTO 1449 listing a single reference, which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose.

This reference is a Notice of Allowance from a related U.S. patent application that has been published. As this item is from a published patent application, Applicants believe that no copies of any documents are required to support this citation. Applicants are bringing this Notice of Allowance to the attention of the Examiner pursuant to McKesson Information Solutions v. Bridge Medical, 487 F.3d 897 (Fed. Cir. 2007).

While the reference disclosed in this Information Disclosure Statement may be "material" pursuant to 37 CFR § 1.56, submission of this IDS is not intended to constitute an admission that said reference is "prior art" for this invention.

In accordance with 37 CFR § 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR § 1.56(a) exists. It is submitted that this Information Disclosure Statement complies with 37 CFR § 1.98 and MPEP § 609, and the Examiner is respectfully requested to consider the listed reference.

This IDS is being submitted after the mailing of a Notice of Allowance, but before payment of the Issue Fee. No item of information contained in the Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the undersigned after making reasonable inquiry, no item of information contained in this Information Disclosure Statement was known to any individual designated in 37 CFR § 1.56(c) more than three months prior to the filing of this Information Disclosure Statement. 37 CFR. § 1.97 (e)(2).

We are enclosing the required fee of \$180.00 set forth in 37 CFR § 1.17 (p). The Commissioner is hereby authorized to credit any overpayment and to charge any deficiency in any required fee to Deposit Account No. 07-1445.

Respectfully submitted,
